*Sangre de Cristo*

Health Care Project

## Message

2010 was a special year for us in the Sangre de Cristo Health Care Project and so it is with hearts full of gratitude we give thanks ...

- ... as we celebrate the 15<sup>th</sup> anniversary of the founding of the Sangre de Cristo Health Care Project and remember the more than 881,000 people who have benefited from the services and programs of the Health Care Project over the past 15 years
- ... for the many persons who have carried forth the mission of this Project, 87 permanent staff members living out their faith commitment, 535 volunteers sharing their time and talents, innumerable community collaborators, all joining together in service for the good of those in need during these 15 years
- ... for the generosity of so many benefactors, who partnering with us, have made possible the diversity of services that help better the quality of life for the persons in the many communities of our area
- ... for these 15 years of blessing and abundance, that serving with the communities, together we make real the redeeming love of God in this world.

Sister Dani Brought, ASC  
Administrative Director

Dr. Adela Jáuregui  
Medical Director

"For more than 14 years my family and I have benefited from the medical clinics and pharmacies. Our lives are better because of the high quality services we receive at the clinic. And I, myself, have also seen that people, especially women and children, who live in extreme poverty, have come to the clinic and they have been attended without being charged. This is a great help for those in need."

Nanci Liliana Castro  
La Labor, Guatemala

"Since I started using my energy conserving wood burning stove, I have been cured of my chronic cough and now I don't need to spend money for respiratory medicine and now I use only half of the amount of wood as before. The services offered by the Project are a great benefit."

Maria Cristina  
Cumbre de Guayabo

## Services Provided

Medical Clinics	17,067	medical consults given in 5 clinics
Dental Clinics	3,014	patients received dental care in 2 clinics
Clinical Laboratories	10,476	laboratory exams done in 2 laboratories
Community Pharmacies	19,029	persons attended in 5 pharmacies
Vaccination Program	1,925	vaccine doses and 5,543 doses of microvitamins were given to 1,555 persons
Medical Campaigns	978	people benefited during 18 different campaigns
Dental Campaigns	208	people had extractions done
Fluoride Program	5,168	children from 17 schools participated on a weekly basis
Dental Health Education Program	12,102	students in 58 schools participated
Healthy Habits to Live Better Education	658	students from 3 schools participated
Ecological Education and Awareness	13,999	primary and secondary students benefited
Community Education	2,125	adults took part in the talks
Environmental Health and Sanitation Program	67	basic services provided
	13,466	trees planted
	52	potable water analysis done
	61	persons trained as Environmental Promoters

## Mission

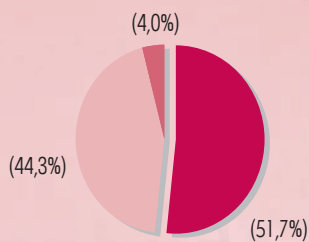

The SANGRE DE CRISTO HEALTH CARE PROJECT embraces SERVICE as its primary reason for being..

- Identifying in solidarity with communities of limited resources
- Promoting the human dignity of each person
- Creating an integrated health care system with educational, preventative and curative services
- Sharing the fruits of love, peace, faith and hope that come from God

## Financial Report

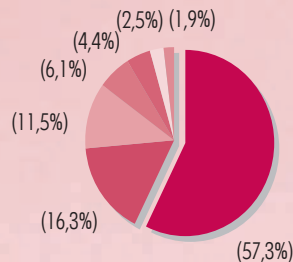

Our operating budget for 2010 was \$340,000.00, which allowed us to positively impact the quality of life for over 100,000 people with limited resources living in our area.

### Income

- Generated by the Project
- Institutional Grants
- Private Donations

### Expenses

- Salaries, Benefits and Contracted Service
- Environmental Health and Sanitation
- Medicine
- Transportation
- Supplies, Special Campaigns and Educational Programs
- General Costs and Utilities
- Equipment and Maintenance
